

## \*Snowkite - Courses\*

[www.freeairadventure.com/kite.htm](http://www.freeairadventure.com/kite.htm)

- **½day course : 800kr** → **Introduction to the powerkite world...** theory, knowledge about equipment, safety system, weather applied to snowkite. theory can be implemented by watching a snowkite basic film in case of bad weather. First experience flying a kite (by feet, not with ski or snowboard)... first try on ski or snowboard (only if the student has acquired a good technical base).
- **1 day course : 1500kr** → **Like ½day course** + kite flying technical improvement (by feet, not with ski or snowboard), experience of traction on ski/snowboard.
- **2 days course : 2800kr** → **Like 1day course** + more analysis about weather applied to the snowkite sport, improvement of up-wind /down-wind tacks style. Half day, snowkite safari, doing experience of freeride cross-country logistics.
- **1 day Snowkite Safari : 700kr** → Exploring the wildeness by kiting in one of the 10 spots available (for who can already snowkite)

### Admissions:
